Dublin

June is Professor of Special Care Dentistry and Pro Dean, School of Dental Science, Trinity College Dublin, Ireland.

June has worked in Paediatric Dentistry, Periodontology and Public Dental Health in Dental Schools in the UK. She has run a Masters course in Community Dental Health and taken part in the training and calibration of examiners in all the UK oral health surveys of children and adults since 1978. Her research interests are in dental epidemiology, paediatric dentistry and all aspects of special care dentistry. Currently a member of the Irish Health Research Board's Panel on Population Health, Epidemiology and Health Services Research as well as two national longitudinal study groups on childhood and on ageing. She has supervised 28 Masters/PhD students and published over 100 papers and 18 books/chapters.

She is Past President of the British Society for Disability and Oral Health, the International Association for Disability and Oral Health and the Irish Society for Disability and Oral Health and Editor, Journal of Disability and Oral Health. A member of UK Royal College of Surgeons of England Specialist Advisory Committee on Special Care Dentistry and Chair of the Royal College of Surgeons in Ireland's Advisory Committee on Additional Dental Specialities; Examiner in the Memberships in Special Needs Dentistry and Paediatric Dentistry, Royal College of Surgeons of Edinburgh.
